

March 21, 2011

RESOLVED:

Whereas the Greater Houston Horse Council represents horse owners residing among the largest concentration of horses in the United States*. We give our full endorsement to the following bills HB2111, HJR111, SB1118 and SRJ 33 that would allow the introduction of slot machines at Texas race tracks and Indian casinos. We believe this legislation is vital to the equine industry in Texas and economic health of our great state.

Barb Chopek
President
Greater Houston Horse Council
6315-B FM 1488
